Reviews

This publication is wonderful. I have got study and so i am confident that i am going to likely to read once again once more down the road. Its been designed in an exceedingly straightforward way which is only soon after i finished reading this ebook by which actually altered me, change the way i think.

Random House USA Inc, United States, 1995. Paperback. Book Condition: New. New.. 198 x 127 mm. Language: English . Brand New Book. In this gripping short play, David Mamet combines mercurial intelligence with genuinely Hitchcockian menace. The Cryptogram is a journey back into childhood and the moment of its vanishing - the moment when the sheltering world is suddenly revealed as a place full of danger. On a night in 1959 a boy is waiting to go on a camping trip with his father. His mother wants him to go to sleep. A family friend is trying to entertain them - or perhaps distract them. Because in the dark corners of this domestic scene, there are rustlings that none of the players want to hear. And out of things as innocuous as a shattered teapot and a ripped blanket, Mamet re-creates a child s terrifying discovery that the grownups are speaking in code, and that that code may never be breakable.
