

Born to Be Alive: A Guide to Finding Your Life Purpose (Paperback)

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.
(Mitchell Kuhn III)

Createspace, United States, 2012. Paperback. Book Condition: New. 226 x 154 mm. Language: English . Brand New Book ***** Print on Demand *****.Trapped in a life of delusions, failures, losses and frustrations, we tend to become conditioned by what we think, what we feel and, mostly, by what others want us to think and feel. Reality is and has always been an instrument of our soul for the purpose of spiritual development, but by forgetting such fact we tend to be the instrument of that reality. Our inner voice and the accumulation of pain over time, eventually leads us to realize that we re out of track. No therapy or friend in the entire world can help us go back in track, because each being is unique. The only person that can help us to understand our life s purpose is one and only ourselves. The problem arises when, after many years of living out of track, we realize that we don t know who we are any more, what we ve done wrong, which choices we should take and what we love the most in our life. Somehow, we realize that we ve lost ourselves due to an intense living under activities that we don t love but must do in order to maintain what we believe to be a stable life. In order to find back life s purpose, this book was created and organized in different levels of self-awareness. Through the chapters presented, it s possible to practice the remembering of past memories and awake our true self. Carefully explained with specific details, the book also intends to allow the understanding of how reality, mind and dream, work together to bring a fulfilling life when we operate under our own destiny. Although most people may confuse destiny...
