Brand New Book ***** Print on Demand *****.Welcome to the world s future lighting alternative! Say YES to LED Lighting illuminates the industry, giving you the ability to make informed buying decisions. Whether you re interested in installing LED lighting or you re thinking about setting up manufacturing in China, this book is an essential addition to your knowledge base! In this book you ll discover exactly why LED technology will soon be the world s primary choice for lighting the nighttime sky. Not only is the quality of light produced much higher than that of traditional lighting methods, but LED s are vastly superior in virtually every category of comparison. The benefits are overwhelmingly in-favor of LED s: Clean, 100 recyclable and eco-friendly! Zero UV emissions, low infrared Extremely durable with *long* life Can be used indoors our outdoors at extreme temperatures 80 to 90 more energy efficient than conventional light bulbs Dramatic reduction in heat generated Better control over light dispersement Highly flexible design options Ability to create amazing effects! Say YES to LED Lighting is as entertaining as it is informative. Jody Cloud tells his story of how one fateful and chance encounter with some old, dusty LED s led him to create an entire empire, known today as YES LED Lighting. In this short but powerful book, you will learn: How big opportunities can come in small packages. The power of alliances and mentors when growing a business. How to do business in China, despite language and cultural barriers. What to look for when choosing a manufacturer to work with. The big secret many retail companies don t want you to know! How to know whether you re...
