Book Condition: New. Publisher/Verlag: Penguin US | A Kingkiller Chronicle Novella | The Slow Regard of Silent Things is set at The University, where the brightest minds work to unravel the mysteries of enlightened sciences, such as artificing and alchemy. Auri, a former student (and a secondary but influential character from Rothfuss's earlier novels) now lives alone beneath the sprawling campus in a maze of ancient and abandoned passageways. There in The Underthing, she feels her powers and learns to see the truths that science - and her former classmates - have overlooked | Deep below the University, there is a dark place. Few people know of it: a broken web of ancient passageways and abandoned rooms. A young woman lives there, tucked among the sprawling tunnels of the Underthing, snug in the heart of this forgotten place. Her name is Auri, and she is full of mysteries. The Slow Regard of Silent Things is a brief, bittersweet glimpse of Auri's life, a small adventure all her own. At once joyous and haunting, this story offers a chance to see the world through Auri's eyes. And it gives the reader a chance to learn things that only Auri knows. In this book, Patrick Rothfuss brings us into the world of one of The Kingkiller Chronicle's most enigmatic characters. Full of secrets and mysteries, The Slow Regard of Silent Things is the story of a broken girl trying to live in a broken world. | Format: Hardback | Language/Sprache: english | 321 gr | 214x127x14 mm | 176 pp.
