Empty (Paperback)

By Suzanne Weyn

Scholastic Paperbacks, United States, 2012. Paperback. Book Condition: New. 203 x 132 mm. Language: English . Brand New Book. A dystopic look at what happens to one American town when all the fossil fuels run out. Civilization has just run out. It's the future - the very near future - and the fossil fuels are running out. No gas. No oil. Which means no driving. No heat. Supermarkets are empty. Malls have shut down. Life has just become more local than we ever knew it could be. Nobody expected the end to come this fast. And in the small town of Sage Valley, decisions that once seemed easy are quickly becoming matters of life and death. There is hope - there has to be hope - but there are also sacrifices that need to be made, and a society that needs to be rethought. Niki, Tom, and Gwen may find what they need to survive. But their lives are never going to be the same again.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
