Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1905 edition.

Excerpt: . chapter xx History of the Chrysanthemum The early history of the Chrysanthemum collected and compiled by Professor F. W. Burbidge of Dublin, is recognized as the most concise and correct treatise on the subject known. From this work the following is condensed: Of all flowers, that which has been said to represent cheerfulness under adversity --the Chrysanthemum, or Golden Flower of the Greek--may fairly be called the Queen of Autumn. Six varieties were described by Breynius as being cultivated in Holland two centuries ago. Originally introduced to England from the Celestial Empire in 1754, it seems first to have been cultivated by that celebrated gardener, Miller of Chelsea, but was soon afterward lost by some unfortunate accident. Again introduced, this time by way of Marseilles in 1789, it reached London in 1795, and in Curtis s Botanical Magazine for 1796 we find a colored...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
