By Angela y McKelson, Sandy L McCauley

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Trace and Write: Practice Tracing Alphabet Letters, Animal Words, Sight Words, and Sentences, provides extensive focus on alphabet letter formation for the beginning writer. The alphabet tracing pages have a full-page format that focuses on one alphabet at a time, which allows additional practice for the beginning writer. The beginning writer has a minimum of 30 opportunities to trace each alphabet before each alphabet writing practice page is presented. Once a student has adequately mastered an alphabet they may then move on to the next alphabet tracing page or skip around as comfortable. This alphabet tracing penmanship workbook will help increase your student s ability to: -Print uppercase and lowercase letters of the alphabet and recognize the difference between the two. -Write from left to right and top to bottom of page. -Recognize spacing between letters and eventually words. -Understand the concept of writing letters. -Write words and brief sentences that are legible. -Write his/her own first and last name and other important words. Some neurologists advocate writing to learn. One states, The practice of writing can enhance...
