Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Notes on Polytechnic or Scientific Schools in the United States: Their Nature, Position, Aims Wants It will be convenient to present, first, in these notes, a list of the existing Scientific Departments and Technical Schools in the United States, so far as they are known to the writer. In reference to the first section of the following table; it should be understood that it embraces those schools, whose character as truly distinct professional schools, is most apparent. This distinctive character is more or less obscured in the case of the schools named in the second part of the table, owing to their comparatively undeveloped condition, so far as now known, or else to their being merged in the general courses of the institutions including them. Hence it has been impossible to arrange them in the same list with those of the first section, in the order of definite dates of beginning. The familiar professional schools - Theological, Medical and Legal - are, as is well known, sometimes separate institutions, and sometimes, attached to colleges. The...
