Emereo Classics, Australia, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.The Brothers Grimm were the first to make a significant scholarly attempt to collect the original versions of traditional folk tales, as told by ordinary people. They didnt always adhere perfectly to that dictum -- some of the stories they collected from print sources and educated, middle-class tale-tellers, not just the common folk -- but they were in many ways the first scholarly folklorists. They were also German nationalists, and their collections were intended to help foster a sense of German national identity and German virtues. Because the Grimms did edit their stories somewhat, and because many of these are traditional stories that exist in many versions in many nations, there are often versions that are earlier and more primal than the ones here. Many people think that fairy tales are just for children and that adults can get nothing worthwhile or practical from them. These people forget that fairy tales are akin to myths, legends, parables, many sermons, and Midrash. They are tales with messages. Many are unnatural, magical, otherworldly; but these aspects help capture the listeners imagination and help them remember many details so that even though they may not fathom them immediately, they will recall them later, sometimes just subconsciously, and get the practical lessons. Lets take a familiar story, Rapunzel. Parents surrender their child to an enchantress in exchange for a large supply of a delightful edible plant called rapunzal. While the parents willingly give up their daughter, the enchantress wants her just for herself. She calls her Rapunzel after the food. She places her in a tower with no doors and a window. Rapunzel has very long hair. When the enchantress want to...
