Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Lena Jennings is a lackadaisical layabout who has, in her whimsical way, met many strange men in the drinking holes of the small northern town where she lives and works. But a young man who tells her a story about an unsolved murder from the town s past and who then goes missing is the strangest of them all. This disappearance leads her through a catalogue of fables and theories all of which suggest that, uncannily, the murder is re-occurring with surrogate victims. The history of disappearances begs a single question of Lena: can the murder ever be solved?.
