Brand New Book ***** Print on Demand *****.Short stories and poetry based on real experiences and some imagined. In the beginning I created the poetry and stories for my personal satisfaction, then as I shared them with friends and relatives they encouraged me to put them in a book. Nature has been a great source of material for the poetry. The contents have been written over a period of some 20+ years. It is always a feeling of personal accomplishment to create a story or poem.
