Fantagraphics, United States, 2016. Hardback. Book Condition: New. 222 x 148 mm. Language: English . Brand New Book. Rudy, a goodhearted fellow in New York, has been trying to phone Kevin Wafer, a kid he knows in Palo Alto, California. Only trouble is, one thing or another keeps getting in the way. For starters, Rudy doesnt have a phone in his apartment, and he cant manage to get a dial tone on his pillow or his alarm clock. When he tries to use a pay phone, the phone booth gets carried off by a crane, deposited in a warehouse, and left with Rudy trapped inside. Whats worse, the only repairman who shows up cant help because hes due to leave on his vacation and wont be back for a month. Rudy tries to call for help, but all he can get on the line are other people locked inside other phone booths located other in warehouses all over the world. The only sensible thing for Rudy to do is to sit down with his trusty portable typewriter and write Kevin a letter, telling him whats happened. Like Bob Dylans "115th Dream," Letters to Kevin obeys a certain logic, but its a shifty, nighttime logic thats full of surprises. Letters to Kevin is an absurdist, screwball farce, and certainly Stephen Dixons wildest and weirdest book ever. Its also, sneakily, one of his most affecting.
