By David Lignell

iUniverse, United States, 2006. Paperback. Book Condition: New. 223 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.The modern corporation, with its procession of office cubicles pulsating with purpose, is a labyrinth of human behavior. Aesop s Fables have provided guidance for generations, and now they have been updated for practical business application. Fifty favorites have been adapted to reflect today s world of work. The farmers, animals, and insects entwined in the short morality plays of old have been replaced by managers, workers, and consultants. The great truths are still there, but they appear in a modern context sure to prompt nods of shared understanding. Enjoy the tales...
