Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.As Edgar Wallace tells it in his short novel, in the early years of the last century, this fearsome foursome --- George Manfred, Leon Gonzalez, Raymond Poiccart, and a man known simply as They --- assassinated the leader of the Servian Regicides, shot a poet-philosopher whose sick thinking corrupted a generation of young people, and hanged a leader of the French Army in the Place de la Concorde. Vigilantes? You can call them that. But they don't act like hate-filled zealots. The Four Just Men are civilized. They advise their targets they are guilty of crimes. They tell their targets to reform. They alert their targets to the date of their death. They even give their targets a final warning --- delivered in person. As the author notes, The honesty of the Four was their most terrible characteristic. Honesty --- how thrilling. Now the Four Just Men have a new target: Philip Ramon, the Foreign Secretary of Great Britain. He is a public servant of unquestioned integrity with a conscience in working order. And yet he is about to commit a crime. A legal crime. But a crime nonetheless: His proposed legislation --- The Alien Extradition Act of 1905 --- would send a great Spanish social reformer, currently directing his followers from a safe perch in England, back to Spain. Once there, the corrupt government would kill him. No reasonable Brit wants this to happen. But the Four Just Men are not like those of us who read the newspapers and bitch. Because they believe Sir Philip is a good man with a single blind spot, they have sent word to him: Drop the bill, or die....
