Brand New Book ***** Print on Demand *****.Excerpt from The Pentateuch, Its Origin and Structure: An Examination of Recent Theories While pursuing Old Testament studies in the University at Leipsic, some years since, the writer became warmly interested in the subject of Pentateuch criticism, especially in connection with the more private societies (Gesellschaften) of Delitzsch and Guthe, where it was made the chief topic of discussion. Having once entered upon it, he found the questions it raised of too grave a nature to be relinquished without a serious effort at settlement. In fact, in view of the startling conclusions reached by an eminently respectable portion of German scholarship, he felt bound to give reasons, at least to himself, for his faith in an Old Testament revelation. He has accordingly had before him, for the most part, the criticism in its German form. For his readers this method of treatment will have the advantage, that, while the works of such representative writers as Graf and Wellhausen are no less easily comprehensible in their leading principles and terms, they fully include, and are the evident source of, the most that has been said on that side of the question in England and America. A little more than one half of the present book has already appeared in print: the papers numbered i., iii., v., vii., viii., in the Bibliotheca Sacra during the years 1882-84; and iv. in the Journal of the Society for Biblical Literature and Exegesis for July - December, 1884. All such papers, however, have been carefully revised, and to some of them considerable additions been made. A work of this kind, if it is to be faithfully done, requires the conscientious study of...
