Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, Cognitive Disturbance, Alexander van Dorph, Los Mirra. A dystopian metropolis run by nefarious criminal gangs and corrupt politicians. Amidst the ironclad skyscrapers of the city we find Leopold Von Tiller, a man who has grown successful despite the ruthless conditions. His fortune takes a turn for the worse as he encounters brutality with a deadly outcome. When death strikes, Leopold finds himself waging war on several fronts. Whether throwing punches in a primitive bar brawl or exchanging sharp, malevolent words in a boardroom over a hostile takeover, the basics are the same - outmaneuver the opposition, strike with deadly precision and ultimately destroy your adversary. Leopold soon learns how these rules apply to every human being, and must adapt to the unfolding situation or see himself devoured in the failure to do so. Can he endeavour at the heart of ferocity, or will hatred take a hold and tear him apart? Packed with intense action, unreciprocated love and betrayal, Cognitive Disturbance is a compelling read that will appeal to fans of crime thrillers.
