Goodwill Publishing House, New Delhi, India. Softcover. Book Condition: New. Positive thinking can bridge the vast gap between success and failure in the lives of most people. A positive attitude contributes significantly to shape a person's personality and character. Only a few venture to search for ways to live a successful, rewarding and meaningful life. Others fail to understand that the secret of success lies in the simple change of thinking from the negative to the positive. 101 Ways to Positive Thinking is an easy-to-understand collection of ideas that can help a person to adopt positive thinking in everyday life. It brings forth a variety of facts and situations that explain how the mind works to influence everyday thinking. By following the simple ideas, a person can gradually transform life through the positive use of the vast potential that lies untapped within him or her. Printed Pages: 144.
