Legacy: The Life of Nikola Tesla (Paperback)

By Norma Brody

Booksurge Publishing, United States, 2008. Paperback. Book Condition: New. 224 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.A believer in limitless, free energy, Nikola Tesla changed the course of events worldwide. Even though he has been shuffled around in the annals of history and never given the accolades he deserves, it is time world history recognizes his importance in the scientific world and the world of electricity. He is the discoverer of alternating current, the father of robotics and wireless transmission. The patent office reversed Marconi's claim; and the world of today's electricity must recognize Nikola Tesla's contribution of alternating current and his success in winning The War of The Currents against Thomas A. Edison. The world owes him much for his visions, his struggles and his quest to make the world a better place for mankind.
